"A fantasy RPG for the Dark Age of Tarnage, which awaits you in the world of the Lands Between." Characterize. Go forth and establish yourself in this fantasy RPG for the Dark Age of Tarnage. Elden Ring is a fantasy RPG that was designed as a direct sequel to "Chrono Trigger". The world of Elden Ring is broken into three parts -- the "Realm of Elden" in the south, the "Lands Between" in the middle, and the "The Otherworldly Kingdoms" in the north. Humans, known as the Elden, reside in the Lands Between, which is protected by the wizard's ring of the Elder King. Elves, known as the Eldeen, reside in the Otherworldly Kingdoms, with their home in the "Pelagiris Mountains". Celes, a human who managed to escape from the tyrannical empire of the Ainz Ooal Gown, has just arrived in the Lands Between. She has been called upon by the Elder King to become an elf that will help the Otherworldly Kingdoms. However, it is not yet clear what she will encounter. Celes will take shape from the choices she makes during her adventure. This massively multiplayer game will be released in 2018.
